

# wrapco custom.

## CUSTOM SHEET WRAP DESIGN TEMPLATE

Finished sheet size: 500mm x 700mm | No bleed or trim marks required

### Artwork Area

Make sure your artwork extends to fill the full space to avoid a white border. We do not require bleed.

### Trim Area

Your design will be printed to the finished sheet size of 500mm x 700mm. We do not require trim marks.

## PRINT CHECKLIST

Make sure you stick to these guidelines for the best results!

### SIZE

Make your design 500 x 700mm

### RESOLUTION

Photos should be at least 300dpi.  
Embed any images into your document.  
Save your artwork as a print ready PDF.

### COLOUR

Specify the Pantone or CMYK colour

PLEASE EXPORT AS A **CMYK 'HIGH QUALITY PRINT' PDF** FILE, NO CROP MARKS NEEDED
